HAPPY VALENTINE'S DAY! We made it through January, the longest coldest month of the year it seems. The days are getting longer and spring is inching it's way closer all the time! It's February already. February is the month of the heart. We will be giving and receiving hearts for Valentine's Day, but it's also a great month to have your heart checked! We want every one of you to be at the heart of our community for many years to come! Check in with your healthcare provider to be sure your heart is doing it's job correctly.

What will you be getting your Valentine this year? A Card? Flowers? Candy? Clothes? Sweet Treats? A Special Dinner? Gift Cards? We have so many options for you to choose from right here in town! Check out the shelves of the local businesses for great gift ideas. If you don't see what you want, ASK!! The local businesses will give you the best attention and service you are looking for. Be sure to SHOP LOCAL this Valentine's Day and every day. Local businesses are the backbone of our community and we want them to remain strong! If you will be going out to eat, be sure to make your reservations early as the available spots will fill up fast.

The St. Patrick's Day Celebration is right around the corner now! The theme this year is "250 Years of Irish Spirit(s)". 2026 marks the 250th birthday of the United States. The official shirts will be on sale by the end of the month. Get your parade entry filled out and returned to the chamber office by March 12th. There is one inside the newsletter for your use. We are now taking nominations for the Community Service, Customer Service and Community Ambassador Awards, until March 1st. Send your nomination to lauri@oneillchamber.com. Be sure to include a brief write up telling why you feel that person deserves the award. I have started on the list of activities and events for the celebration also. If your organization is planning to host something during the celebration, please send me the information before February 17th so we can get the posters put together. We want to be sure we get them out plenty ahead of time! Be watching for details and information on the St. Patrick's Day Celebration coming up on March 11th through the 14th.

Another reminder that we are doing paperless invoicing now. Please send me the email address you would like your invoices sent to, to lauri@oneillchamber.com.

Press Release

Clear the Piles – Two Tire Amnesty Events Set for 2026

Stacks of old tires taking up space on farms, ranches, and back lots will soon have a responsible place to go. Two events, both funded through Waste Reduction and Recycling Incentive Grants from the Nebraska Department of Water, Energy, and Environment, will be held locally in the spring of 2026.

The North Central Nebraska Resource, Conservation, Development, and Planning Council, (RC&D), in partnership with Keya Paha County, will hold a collection in Springview, Nebraska, accepting up to 400 tons of tires. Working with the Upper Elkhorn NRD, the RC&D will have a second event in O'Neill, Nebraska. This collection will allow for up to 700 tons of old tires.

Scrap tires are difficult and expensive to dispose of in rural areas, often leading to illegal dumping or fire hazards. These tire amnesty events provide a safe, convenient, and environmentally responsible solution. Tires can be kept out of landfills and waterways while recycling them into useful products. Residents will be able to bring all sizes and types of tires to the collections, however, tires mounted on rims will not be accepted. "Old tires tend to pile up because people don't know what else to do with them," said Mike Burge, Chairman of the North Central RC&D. "This event gives folks an easy way to get rid of them and know they're being handled the right way."

Specific dates and times are being finalized. If you have questions, information can be found on the website, northcentralrcd.com, or by contacting Carla Stagemeyer, Executive Director of the RC&D, at 402-340-1530.

The Tri-County Bank and Butte State Bank to Merge under TCB Name

Butte State Bank has signed a merger agreement with The Tri-County Bank of Stuart. Following the close of the transaction, all banks will operate under The Tri-County Bank name. Butte State Bank was chartered in 1944 and owned by three generations of the Brewster family. Joe (Vera) Brewster purchased controlling interest of Butte State Bank in 1963 from Pete Anderson. In 1971, Dennis and Jane Brewster purchased the bank from Joe and Vera. In 1999, Craig and Tammy Brewster purchased controlling interest of the bank, making Craig the third generation of the Brewster family to be the bank's President.

The Tri-County Bank was chartered in Stuart in 1945 by Joe (Vera) Brewster and a group of local investors. Joe sold the bank to Don and Sally (Brewster) Schmaderer in 1979. Don transferred his ownership to Jon (Jennifer) Schmaderer together with siblings Nancy (Scott) Steinhauser and Sue Anne (Brad) Philson in 2021. The bank continues to operate with its fourth generation of community bankers: Joel Steinhauser, Tate Schmaderer, and Claire Steinhauser serve critical roles in the organization.

Butte State Bank President Craig Brewster stated, "the merger of the banks allows the Brewster family heritage to continue providing banking services to the region especially for Boyd County, northern Holt County, and south central South Dakota, as it has for the past 63 years. The Tri-County Bank's philosophy, deposit and lending product offerings, and technology will be a nice fit for current and future bank account holders and borrowers."

Current Butte State Bank staff will be retained and will continue to provide high quality service to its customers as it has for the past 82 years. Butte State Bank has locations in Butte and Spencer with remote ATMs at the Naper Café in Naper and BASCO Travel Plaza in Spencer.

Butte State Company, owner of Butte State Agency, has agreed to sell the insurance agency operations to The Tri-County Company. The Butte State Agency name will remain the same and continue to provide a wide variety of insurance products including crop, livestock, farm, business, home, auto, and health, life, and long-term care. Butte State Agency employs three full-time licensed agents and an administrative assistant.

Jon Schmaderer, President of The Tri-County Bank, shares, "We are excited to welcome two great companies, the Butte State Bank and Butte State Agency, into our organization. The opportunity for our family to continue to serve Boyd County and the surrounding area is a tremendous honor."

The Tri-County Bank currently has full-service banking offices in Stuart, Atkinson, O'Neill, and Bassett and its brands include TCB Mortgage, TCB Insurance, and TCB Investments. The Butte State Agency name will be added to its brand following the merger.
